

CERTIFICATE OF COMPLIANCE: ASTM D 7036-04

THIS CERTIFIES THAT

Empire Stack Testing, LLC.

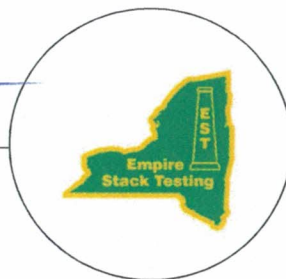

Testing is conducted and/or overseen by an on-site Qualified Individual that is qualified for the methods employed in the test. The QI conducts and/or oversees the test for the duration of the test. Per ASTM D 7036-04, section 4.1: "The quality manual and its implementation (including test protocols, reports, and personnel testing) shall provide the sole basis for determining the conformance of the AETB..." Per ASTM D 7036-04, section 4.2: "This practice is for use BY AETB's in developing the quality, administrative, and technical systems that govern their operations." Per 40CFR75 this letter of certification by the AETB's senior management is an acceptable statement of conformance. The ECMPS AETB reporting requirements includes a provision for an email address be noted for the exam provider (Source Evaluation Society). This address is QSTIPProgram@gmail.com.

As an AETB this organization maintains & upon request will provide:

- A quality manual
- Results of any external or internal audits performed during prior 12 months
- Written descriptions of any corrective actions implemented during prior 12 months
- Training records for prior 12 months

Michael T. Karter / General Manager & Owner
